Haunted Isomalt Skull Tools & Ingredients

Tools

- Silicone mats (at least 3)
- Silicone bowls (large, medium, and small)
- Silicone spatula
- Simi Silicone Mold Large Skull
- Simi Silicone Frame Mold YH187
- Scissors
- Chef's blowtorch
- Airbrush Machine (I'm using the DinkyDoodle brand)
- Assorted Paint brushes
- Silicone sculpting tools (Plastic or metal sculpting tools may also be helpful)
- Small cups or paint palette for mixing colors
- Small metal palette knife or spatula
- Simi Sugar Pump
- Small fan
- 250 watt heat lamp
- Nonstick baking liner mat

Ingredients

- 1 kilogram Simi Isomalt
- Edible Airbrush Colors in the following shades: Black, White (Simi Base White), Orange, Yellow, Brown
- Artisan Accents Clear Dilution Solution (water works too)
- Silver luster dust
- Clear, high proof alcohol for painting
- Clear Edible Glaze Spray
